Letter of note. 09-12-2021 Resume this thew on A capital business level some one can profit this in the level of A country best intended interest. "Lighthouse it's ex stream" the Rom-X we will have A Bill on it soon to fix what's coming my "Lighthouse" can give clean fule information on different levels of "Memory" and the Rom-X. Bio illusion compounds can find new ways to gas as one drop of water has memory with Gasoline added so is gas has A just as one drop of water with gas so in that testing of the gas with one drop of water,is it that gas has now one new drop of memory as information for a new look as using gas as A memory with its new periodic,new tables of information can be used as A new periodic table of element's gas for, A new way to use gas As new for it's memory read out of the "Lighthouse" new gas sold the right way it's finding the Lighthouse once used it can record the new memory and can be reprogrammed for A manipulation of A

product to subsidize new gas for use.. New gas new market link. Naming one strain of thin new gas by using the "Lighthouse-Disk" its nature give's it's other name "Jehovah-Device" with strain of new memory for gas A new kind, can be formed for all possessors of new strain of gas calling the first strain of gas "Higgins-Gas" that is to be in plastic bottle's "8 Ounce" plastic bottles sold in A# 6. Pack at \$238. A pack as gas prices or of cheap do to the nature of change... Calling as like A baby name "Anthone" that would be the company's name "Anthone-Q" would be A brand name of it's gas, you would need 2-Truck's of 2000 gallons of gas 1000 gallons of gas can be hold in one truck,dumb me you have to build the gas station first.. Blueprints and all. Setting it up, would it take quite some guts to call A gas station by A business name, build it? and give it A name?, the gas company gives it A name to the gas company and sells real quick, will we get A retro pardoc market because it will be in at least by math 16 new elements of gas that can be used. Saving time and effort with Transportation overseas with weight of the plastic and the time and effort using Tin and Aluminum can be A hazdor's of spill's, cutting back is caused by "78%" of the use of "Tin" and "Aluminum" so if we just use A plastic bottle of "8.O sold at 12.Pack for the rise and fall of profit" which can be done in gas image.png Letter of note. 09-12-2021 One pellet of the nuclear energy device it will run A quantum car not just update the system to and any egeine's at "run 1974 car's" other lese no point.. Why build a bunch of futuristic cars just use A combustion updater in the engine that will enable the "Pillet" to cost too much to redo the car in the future so use An engine adapter for cat's 1972-2021..
